

# BucketGolf Rules

## General

BucketGolf Exhibitions feature a solo, PGA-style format where a specific course is designed for play day. Each player will have 2 rounds per game, totalling up to 18 holes.

## Time/Score Limits

There is no time or score limit, the game is over once every player finishes the last hole.

## Roster/Roles

As a solo-based game, there is no roster. Players hit out of each teebox in the order of whomever wants to hit next.

## Ruleset

Each play day will feature a unique course. Each player will play 2 rounds in a game.

The course designed will feature two par-3s, five par-4s, and two par 5s.

A player's score will be kept throughout the entire two rounds.

On par 5s, foam balls will be used for drives.
